

Oxygen

by Riccardo Iaconelli

Oxygen

More than just an
icon theme...

What is Oxygen?

(where have you been in the last 3/4
years?!?)

What is Oxygen?

An icon theme

A Plasma theme

A cursor theme

A Scribus theme

A widget style

A website

A splashscreen

A KDM theme

A visual direction for plasmoid

Beautiness for KDE 4

A sound theme

A palette

An inkscape theme

What is Oxygen?

An Icon theme...

What is Oxygen?

A widget style...
A windecoration...

What is Oxygen?

A Plasma theme...

What is Oxygen?

A cursor theme...

What is Oxygen?

A sound theme...

What is Oxygen?

A marketing idea...

- marketing trough art -

What is Oxygen?

A source of
inspiration
for many artists...

The future of Oxygen

...or what's missing to conquer the
world...

The future of Oxygen

Bright!
Many new people!

The future of Oxygen

Project:
Web team

The future of Oxygen

Project:
UI team

The future of Oxygen

Generic improvements

- Palette - Icons - Cursors - ...

The future of Oxygen

Polishing,
polishing,
polishing.
